SANTOS KREIMANN RETURNS TO THE ASSESSOR'S OFFICE

Today, Los Angeles County Assessor Jeffrey Prang appointed Santos H. Kreimann as Chief Deputy Assessor. This appointment marks the return of Kreimann to the Office of the Assessor, which he temporarily headed in 2012.

“Santos is an exceptional leader who contributed significantly to the office during his previous tenure,” said Assessor Prang. “I am thrilled to welcome his return.”

The department’s two Assistant Assessors will report to Kreimann, who will focus on Prang’s taxpayer vision for the organization to better serve LA County taxpayers.

“I look forward to being a part of this team and ensuring the delivery of quality service to the taxpayers of Los Angeles County,” Kreimann said.

Kreimann is a longtime Los Angeles County executive with more than 24 years of experience in various county departments. Among other positions, he was director of the Department of Beaches and Harbors and has presided over areas in public finance, property development and capital improvements projects. He is a Certified Appraiser.
