Nonprofit Empowerment Symposium to Offer Valuable Economic Strategies & Tax-Saving Resources

NORWALK, CA – Los Angeles County Assessor Jeff Prang and California Board of Equalization Member Jerome Horton will host a Nonprofit Empowerment and Exemption Symposium to assist faith-based and nonprofit organizations in their work serving local communities.

The event, which is free and open to all, is dedicated to equipping leaders and building their capacity as vital pillars of our communities. Expert presentations and panel discussions will cover affordable housing and development, fundraising opportunities, and tax essentials. Resource stations will provide additional information on tax-saving programs and opportunities for one-on-one assistance.

“I am pleased to join with Board Member Horton in providing the resources that our community service organizations, faith-based institutions, and other nonprofit agencies rely upon in order to serve the people of Los Angeles County,” Assessor Prang said. “These organizations are a vital safety net, and it is my hope that the tools provided here will translate to the empowerment of our communities.”

Board Member Horton said, “Nonprofits and faith-based organizations will learn strategies and techniques to capitalize on the available tax credits, exemptions, and wealth-building concepts designed to assist them in achieving their missions.”
